Orphanage Management System

Software Test Plan

for

<Orphanage Management system>

Version 1.0 approved

Prepared by <Saiful, Mouri, Afroja, Ripon >

<American International University-Bangladesh>

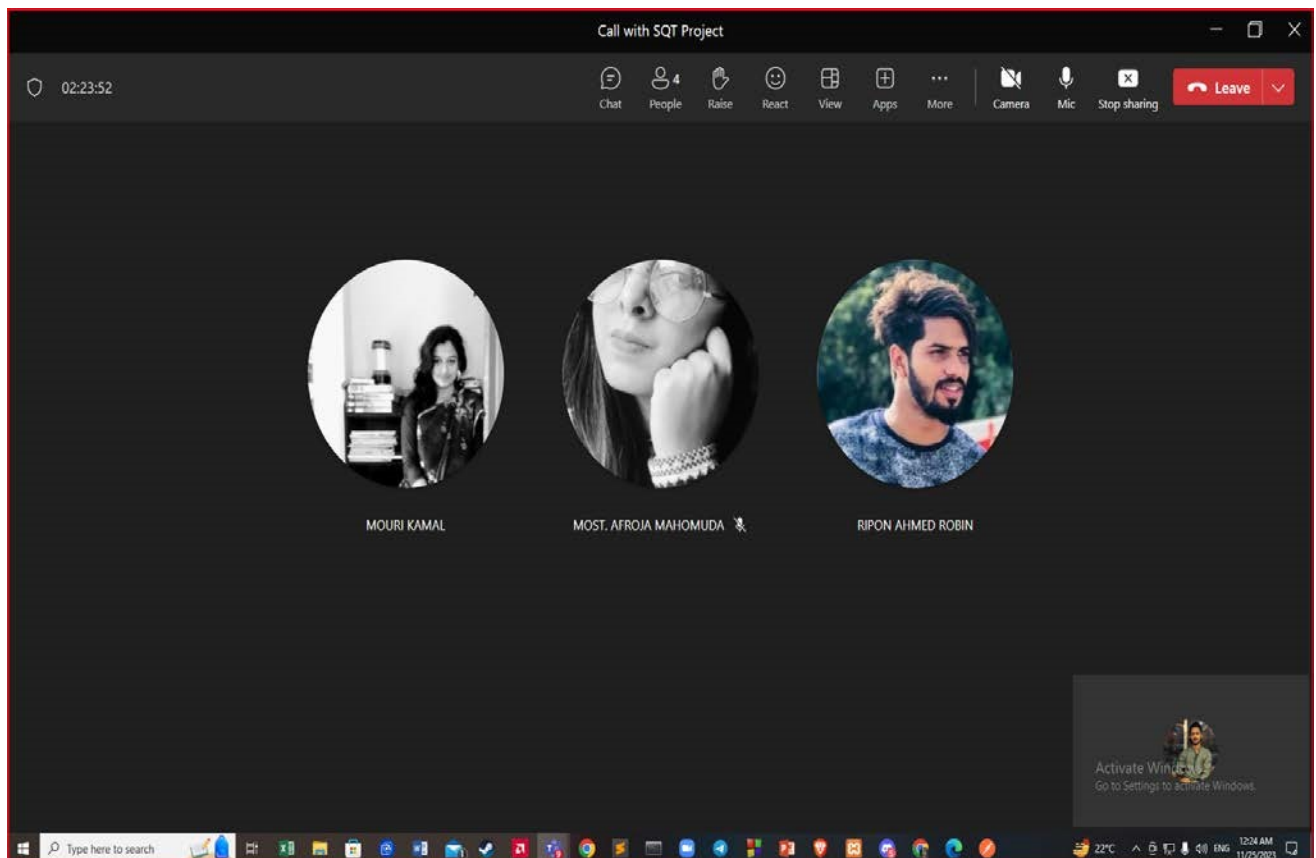

<02-12-2023>

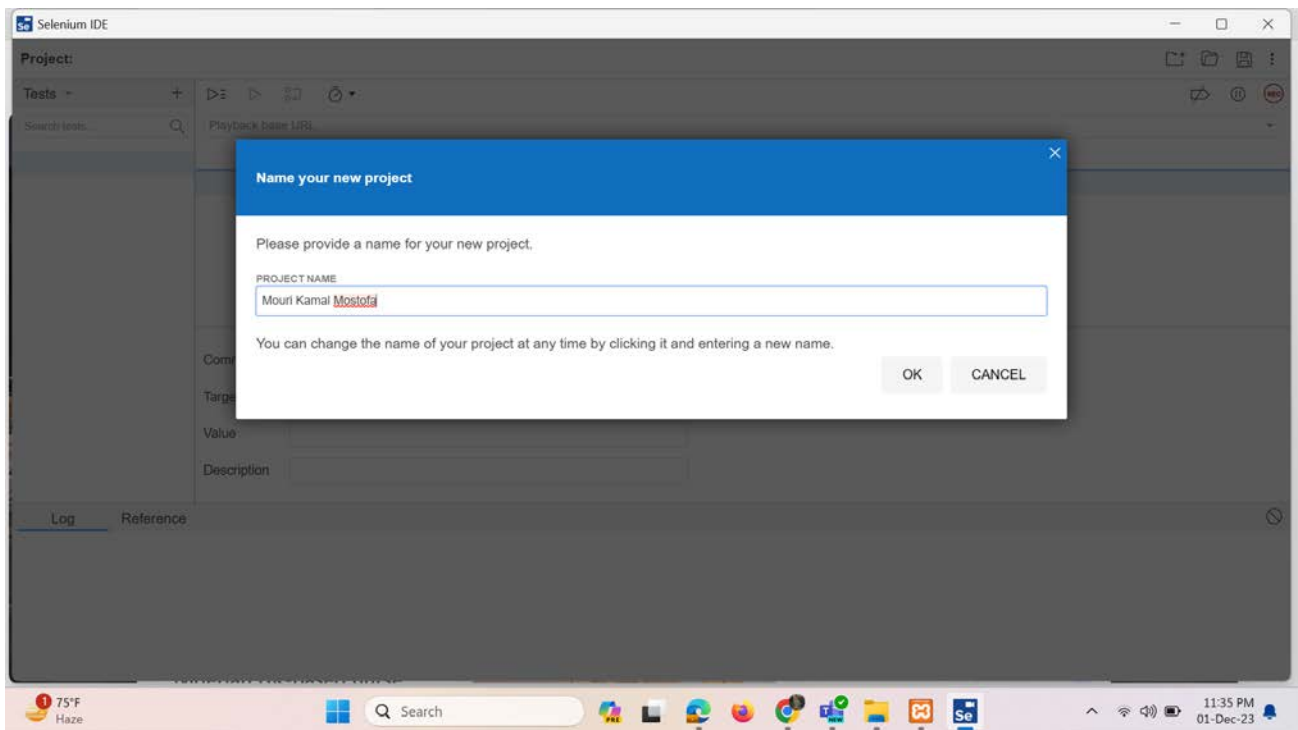

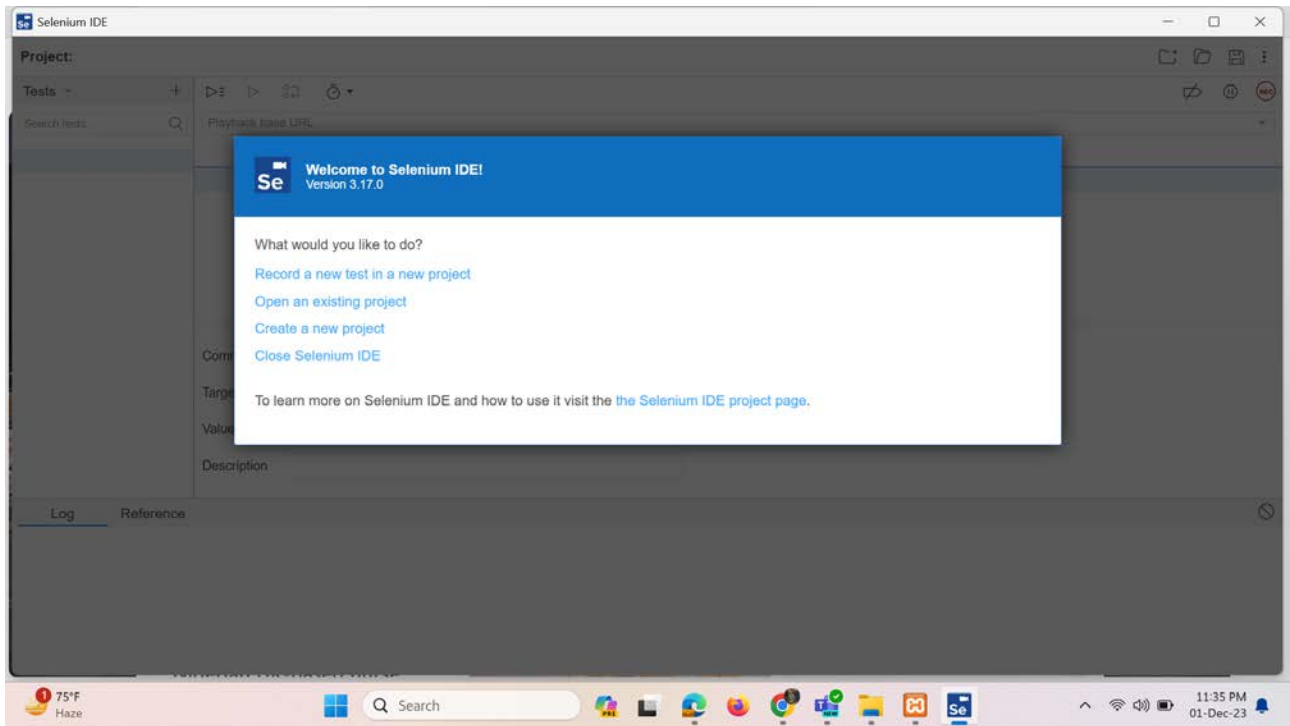

1.1 Test Tools

The **Selenium** Web Driver Tool will be used for automated testing. We utilize this instrument to discover errors and verify that our systems are of high quality, responsive, progressive, and consistent.

1.2 Meetings

This entire project duration is 1 week. Every day our group members met to discuss project advancements and every group member's suggestion for improving functionality. Additional meetings were called as needed for emergencies.

Snapshots while we are testing

Orphanage Management System

Selenium IDE - Saiful Islam*

Project: Saiful Islam*
